Facts detail and Complaint

Curtis James Lee Jr.

escorted to B. Build Counselors office by Security on 11-20-2018 3:pm my reading glasses was taken off placed on top of the counselors box in the hall before going in to the counselors office.

I was

Forcefully unwillingly hand cuffed to A table — orders instructions given by Dr. R. Sturdivant, who tells me he works for mental health QMHP — Dr. R. Sturdivant Never ask me if I had A mental health problem, or if I was OK, or if I have thoughts of suicide.

Doctor R. Sturdivant Start talking about A letter I written to the Attorney General's office A month before this day, 11-20-2018 / as Doctor R. Sturdivant is talking I notice he's smiling looking me up and down, the lady sit's about 6 to 7 feet behind Doctor Sturdivant she can't see what he was doing and I couldn't see her because of where Doctor Sturdivant was sitting, Doctor Sturdivant tells me this was for my on good and that He was going to help me, I tell Doctor Sturdivant, you got this all wrong, theres nothing wrong with me, I notice Doctor Sturdivant Winking his eye as he's talking to me licking his lips, Doctor Sturdivant trys to convince me that I am about to Kill my Self, and what he was doing would help me.

Doctor Sturdivant ignores everything I am saying to him — Doctor Sturdivant tells me in that letter you wrote you said in the end that you would take your on life, I said to Doctor Sturdivant in that letter I written to the Attorney General that my parents was on there death beds and needed my help, I ~~was~~ ask the Attorney General for any relief help with my parents and the reason I keep coming back to prison was because of my 38 years of drug use but now that I was ~~off~~ off drugs I know if I couldn't get some help for my parents and if I'd ever do drugs again I would be taking my on life because of what I went through when I was doing drugs, I explain to Doctor Sturdivant there is nothing wrong with me — Doctor Sturdivant ignores everything I say — Doctor Sturdivant tells me I have to do this so I want have to answer any questions from the Attorney Generals office and my boss.

Doctor Sturdivant is ~~just~~ smiling looking down at my penis winking his eye, ~~licking~~ licking his lips telling me just comply.

Doctor Sturdivant Starts to rubbing my (left hand) I try to move my hand but can't because I am hand cuffed to this stool/table, the expression on Doctor Sturdivants face he's mad he tell me stop resisting comply with my command. Doctor Sturdivant slide A paper in front of me to be signed, I can't see without my reading glasses, I ask for them Doctor Sturdivant want give them to me he put his finger on the paper where he wants me to sign

I tell Doctor Sturdivant I want sign it because I don't know what it is, I can't read it, Sturdivant puts his hand on top of my left hand, Doctor Sturdivant massages my left hand trying to convince me I don't understand what I am saying, Doctor Sturdivant tells me that he is A Doctor and that he knows when A person is about to kill themselves, and this paper would give him my per- mission for him to treat me as his patient, I told Doctor Sturdivant No, so he then tell me to sign A refusal, I signed it, believing it was A refusal. Doctor Sturdivant is still smiling winking his eyes, looking me up and down.

I tell Doctor Sturdivant I will report what he was doing to me was wrong - Doctor Sturdivant tells me go ahead I am A Doctor - you are A inmate no one's going to believe you.

Now Doctor Sturdivant tells me I have to put you in medical strip cell, I plead with Doctor Sturdivant not to do this I allow him to massage my hand he smiles and I am escorted to medical cell one, two Cos Strip me of all my clothes the two Cos left me standing in the cell strip naked as they went to get me A smock to wear, Doctor Sturdivant stands outside my cell door looking strate down at my penis licking his lips smiling at me - I try to cover up my penis Doctor Sturdivant tells me you have to learn to comply with my instructions, I take my hand away so Doctor Sturdivant can see my penis, Doctor Sturdivant smiles and tell me yes that's right comply with my instructions and you will be out in 72 hours 3 days, the two Cos came back gave me the smock I put it on Doctor Sturdivant fround his face and leave.

Around 9:1 Am next morning 11-21-2018 Doctor Sturdivant comes back to my cell, there ^{is} A glass window beside my cell door Doctor Sturdivant stands there licking his tongue across his lips smiling, as I get up off bunk, the smock is open and my penis is half hard Doctor Sturdivant is really likeing what he see's, I close the smock so Doctor - Sturdivant can't see my penis he gets mad and tells me I'll have to stay in the strip cell for 7-days, I plead with him I open up the smock so he can see my full length he tells me yes that's right just comply and you'll be out in No time, I close the smock he leaves.

Monday 11-26-2018 the Superintendent/Warden came to my cell around 9:1 Am with the major and buildings manager Doctor Sturdivant stands behind them winking his eye at me as I ask warden B.L. Kanode why he allowed Doctor Sturdivant put me in this strip cell - Warden B.L. Kanode tells me wait A minute I had nothing to do with putting you in here, all I did was give mental health A copy of your letter to review, this was all Doctor Sturdivant and mental health.

I was release to the Jail on 11-29-2018 after spending 9 days in the strip cell/ and Jail

To The U.S. District Court Clerk, I Ask that this letter reaches the Judge.
